# 4th Meeting of the A.S.A.M.I. International

## Message

Dear Colleagues and Friends,

On behalf of ASAMI International, I would like to invite you to attend the 4th Meeting of ASAMI International to be held from 11 to 14 October 2006, in Kyoto, Japan.

The meeting will be focused both on the newest advanced techniques of Ilizarov method and on the clinical applications. Please join the intensive discussions with participants from all over the world and benefit greatly from exchanging knowledge and experiences with them.

What will attract you other than the fruitful discussions is the place the meeting will be held. Kyoto is an attractive city to visit. It was the capital of Japan from 784 to 1869 and has many old temples, shrines and historic places. We are planning some social programs which we believe you will enjoy.

I look forward to seeing you in Kyoto, Japan.  
Best regards,

**Takashi Matsushita, M.D, Japan**  
President
